

AMAN MARVE

React Developer

9284337852

aman1.marve@gmail.com

Nagpur

<https://amanmarve.netlify.app>

Web Developer with 7 months of experience in building responsive and user friendly web interfaces using **ReactJS** and **Tailwind CSS**. Also proficient in backend setup, delivering robust and efficient solutions. Adept at creating clean, maintainable code and collaborating in dynamic development environments.

Experience

Sapalogy Pvt Ltd

June 2024 – Present

Web Developer

As a Web Developer at Sapalogy Pvt Ltd, I have contributed to the development of e-commerce and educational web applications, enhancing business operations and driving sales. I played a key role in projects for Sapalogy Training, an IT training institute based in Nagpur.

• **ReactJS** • **TailwindCSS** • **PHP** • **API Integration** • **Git** • **Payment Gateway Integration** • **Content Management System (CMS)**

Key Responsibilities and Achievements:

- **ReactJS and Tailwindss:** Developed a responsive website for Sapalogy Training, improving lead collection and user engagement.
- **E-commerce Development:** Built a user-friendly platform for Sapalogy's Eco-Luxury Project, integrating PhonePe payment gateway and real-time inventory updates.
- **CMS Migration:** Migrated Sapalogy Training's website from WordPress to ReactJS, enhancing performance by 40% and ensuring data integrity.
- **Optimization:** Improved page load speeds with lazy loading and implemented SEO strategies, increasing inbound leads by 25%. Collaboration: Worked with marketing teams to align features with campaign goals and conducted extensive testing to ensure seamless functionality.
- **Outcomes:** Boosted inbound **leads by 25%** through improved performance and SEO. Enhanced workflows by enabling non-technical users to manage content efficiently. Improved user satisfaction with responsive and intuitive designs.

Projects

Ganesh RO Services (E-commerce project)

<https://ganesh-roservices.netlify.app/>

Developed an e-commerce web application for selling RO purifiers and offering maintenance services. Features include a product catalog with real-time inventory updates, a shopping cart system, an admin panel for managing transactions and services, dynamic service booking, and a fully responsive design for optimized user experience across all devices.

• **Reactjs** • **Nodejs** • **Expressjs** • **Mongodb** • **git** • **tailwindCSS** • **vercel** • **Postman**

Education

Gondwana University

2023 – 2025

Masters of computer Application (MCA)
